Lane Reductions and Shoulder Closures at US 30 over I-57

CHICAGO – The Illinois Department of Transportation (IDOT) announced that bridge improvement work will resume, on eastbound and westbound US 30 (Lincoln Highway), and northbound and southbound Interstate 57, in the Village of Matteson, weather permitting, on Monday, March 23.

In order to complete the work, the following traffic patterns will be affected:

- Permanent shoulder closures along northbound and southbound I-57 at US 30.
- Traffic will be reduced from two lanes to one lane along the westbound direction on US 30 with a width restriction of 13 feet.
- Traffic will be reduced from three lanes to one lane along the eastbound direction of US 30 with a width restriction of 9 feet.

The anticipated completion of the project is, weather permitting, May 2015.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at <http://goo.gl/upgvZu>. Updates on the impacts to traffic are available at www.travelmidwest.com.
